

Job Details

POSITION: RN Case Manager
REPORTS TO: Patient Care Coordinator

Position Summary

Under the direction of the Patient Care Coordinator, assumes responsibility for the total management of patient care in the home, nursing facility, inpatient unit, or respite care setting. The nurse is responsible for establishing and implementing the plan of care in collaboration with the Interdisciplinary Team (IDT), and follows policies and procedures of Hospice & Palliative Care of Greater Wayne County in the management of patient care and the performance of professional duties and responsibilities.

Major Responsibilities:

- Assumes primary responsibility for a patient/family caseload that includes the assessing, diagnosing, planning, implementing, and evaluating phases of the nursing process.
- Teaches patients, families, and other caregivers aspects of patient care necessary to promote maximum comfort and maintain the patient at home
- Communicates with facilities and patient/families to assure the smooth delivery of HHA services. Provides professional supervision of the HHA providing direct patient care.
- Maintains up-to-date patient records so that problems, plans, interventions and goals are accurately and clearly stated and changes are reflected as they occur.
- Performs all reasonable related duties of a staff nurse as assigned.

Position Requirements:

- Registered Nurse currently licensed in Ohio - BSN preferred
- Minimum 2 years recent clinical experience as a professional nurse - oncology, medical/surgical and/or home care/hospice preferred.
- Certification in Basic Cardiac Life Support (BCLS)
- Ability to understand and respond to the needs of terminally ill persons and their caregivers in varied settings.
- Excellent communication skills – verbal and written.
- Favorable references
